MARCH TOWN ELECTION

On March 12th, the Town of Kingston conducted our annual town election at the Swasey Gym. It was a great day weather-wise, compared to last year's election day blizzard!

The total count of voters, including absentee voters, was 974. Registered voters on the checklist that day totaled 4299, indicating a voter turnout of 23%.

We welcomed some new volunteers who were helpful additions to our election team. Thank you, volunteers, for your contribution!
