Still another amendment was made that the debate on the Article be closed and vote the question. Standing vote was: YES 233 NO 49.

A motion that Article 14 be taken up first was ruled out of order. However, the Moderator did state that he would allow the voters to discuss the merits of Articles 6, 7 or 14.

The vote was a standing one: YES 231 NO 67

**Art. 7** - A motion was made and seconded to appropriate \$27,-560.00 for a Town Tax Map and authorize the withdrawal of \$17,-

A motion was made and seconded that we reconsider Article 11 as printed. Moderator said that he would entertain a motion to reconsider because the results were being announced when the fire took place last week. Robert Merrick brought out a point of order on the reconsideration, but the Moderator ruled the point is not well taken and is out of order. Charles Hannagan felt that meeting was adjourned, but was ruled out of order. **Art. 12** - A motion was made and seconded that the Town raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund towards the purchase of a Pumper Hose Truck for the Fire Department to replace the 1938 Diamond T Pumper Hose Truck.

A motion was made and passed that we vote on the amendment. (results above.)

An amendment that the price be dropped back to \$10,000. was withdrawn. Upon returning to the original motion, it was voted as amended (to \$12,500.00) on a voice vote. (Selectmen will check with Town Counsel on increasing amount in an article, to be sure it is all right to do so.)

**Art. 6** - A motion was made and passed (standing vote 171 YES 52 NO) that Article 6 be taken from the table and bring it back on the floor.

It was voted as amended, that the Town raise and appropriate the sum of \$23,500.00 to construct a Town Garage, to be located on the Peasley property on Main Street - old Route 125; and further to re-distribute the amount of \$23,500.00, received in 1973 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for the purpose of operating expenses for the Kingston Police Department in the amount of \$13,500.00 and for the purposes of operating expenses for the Kingston Fire Department in the amount of \$10,000.00 and further to change the allocation of funds in the Estimated Budget of the Town of Kingston, N.H. for the year 1974 to conform to and reflect the above expenditures. Much pro and con discussion followed until a motion was made and passed to cut off debate. The main motion was then defeated on a voice vote.

**Art. 7** - Moderator returned to Article 7 and read article in its original state and as it was amended. It was voted on a voice vote that the Revenue Sharing Funds of \$27,560.00 be used for a Town Tax Map - as printed above - as Article was amended at last week's meeting.

**Art. 15** - At 9:07 a 5 minute recess was declared by the

Moderator. Meeting reconvened at 9:13 p.m. It was voted, as amended, to appropriate the sum of \$9,000.00 for the salary of the Chief of Police to include two weeks paid vacation, which is a 5.9% increase over last year's salary. The words "no less than" were struck out of original motion by amendment voted.

**Art. 18** - Article was ruled out of order by the Moderator on the advice of the Town Counsel.

(2) Requesting State inspection of all new septic systems. After much discussion, it was voted to cut off debate. Another amendment was made that the first line of the fee schedule be stricken out. It was then voted to table the entire article until the next annual meeting. YES 148 NO 83. A suggestion was made that the Selectmen make the points a little finer.

A motion was made that we adjourn meeting until next week, but was not passed. Objection was voiced by David Conant because of a School Board meeting next week.

**Art. 20** - It was voted that the Town will give the Selectmen authority to sell Town land at Great Pond Park to abutting owners at a price commensurate with type and location of land. Purchasers of such lots to use same to increase lot size of abutting lots and so record these lots as not being separate lots.
