ADDITIONAL ARCHITECTURAL AND STRUCTURAL DESCRIPTION:

The Goscinak House is a victorian era structure with some Italianate detail. The sidehall entry has a 2-panel door with two vertical lights. It is surmounted by a flat-roofed door hood supported by scrolled brackets with pendants. Windows are two-over-two with caps, except in the gable, which contains two vertical one-over-one windows. The medium-pitched roof is topped by a tall corbel-capped chimney, and the eaves treatment consists of a boxed cornice with a wide frieze and gable end returns visually supported by cornerboards.

A 1-story shed-roofed ell rests on a fieldstone foundation. It has clapboard siding and one-over-one windows.

RELATED STRUCTURES AND CONTEXT: A large 1½-story gable-roofed barn rests on a fieldstone foundation. It has wood shingle siding, fixed light windows, and an attached 1-story gable-roofed shed. Another attached 1-story shed is located on the north side.

BOUNDARY AND ACREAGE DESCRIPTION: 86 acres bounded to the N-B & M Railroad, Town of Kingston, S-Goscinak, E-Town of Kingston, Currier, Goscinak, W-New Boston Road.

STATEMENT OF SIGNIFICANCE (Evaluation & Historical Associations):

The E. C. Carter House c.1850 Italianate is a handsomely proportioned example of this style. In conjunction with Site 55, they form an intact historic architectural area.
