

KCC Agenda 9/4/14

Secretary's report: Minutes for July

Treasurer's report:

Planning board plans for review/DES applications/permits:

Torromeo wetlands restoration permit has been received from DES

Change of use permit, Dr. Shuman, 1 Chase Str.

Septic plans, 6 Sands Lane

Correspondence:

Discussion with Charlie Hannagan re: wildlife refuge

Thank you note from Marissa

VLAP reports from Powwow and Great Pond are in. I have requested synopses from Muriel and Paul Dearborn.

- ***Progress on Action Items:***

- ***Michael Dostie installed the David E Ingalls Loop Trail sign, beautifully constructed with natural forest products. Kudos to Michael!!! :-)***
- ***Contact was made with VMS to spray the knotweed at Frye, no follow up response as yet.***
- ***hiker sign has been ordered for Valley Lane***
- ***It was decided that we liked Jeff's history of the Ernie Hunt Tire Pile as written. Progress?***
- ***Evy went to an open house at the grist mill at Little River Road. She will report.***
- ***Evy has found a willing web designer***

New Business:

ESRLAC in Kingston August 26th

Erosion at Kingston Rec

Need a forestry Committee. Suggest candidates...?

Evy plans to work directly with the schools next year on the photo contest as there was a poor showing (in numbers) by youth.

Old and Ongoing business:

Photo contest was again a big success. Numbers yet to come.

Forests need to be attended to, signage, trail maps, etc
