

Article 1003: MAILBOX REGULATION

Mailboxes shall be set so that the face of the box is no closer than five (5') to the edge of pavement. Exceptions shall be made for locations where existing topography and/or the width of the roadway Right-of-Way do not allow for this setback. They shall be set so that the bottom of the boxes is 42" above finished grade. Access to the mailbox shall be the responsibility of the property owner/renter. Posts shall not exceed 4" x 4" for wood or 2 1/2" hollow metal pipe in size. The Town shall not be responsible for the replacement of any mailboxes damaged by snowplowing operations that do not conform to this regulation.
