FREQUENTLY ASKED QUESTIONS

Can I put extra recycle items next to my container?
Please make sure all items are contained in the cart. Any items left outside the recycle cart will not be picked up. Make sure to have 3-4 feet between carts to enable the truck arm to grab the containers.

What should I do if I have a problem with my cart?
If properly handled the cart will last for many years. If you experience a problem with your cart (broken wheel, lid, etc.) please contact the selectman’s office (603) 642-3342.

I’m planning to clean out the garage and have a lot of refuse to get rid of right away. Where will I be able dispose of it?
The Bagster may be a solution. You can find The Bagster at any Home Depot, Lowes or other local hardware stores for $29.95. The town of Kingston collects used motor oil on the first Saturday of each month from 9-11am at the highway garage on 12 main street. The used oil fuels the furnace in highway garage.

What can I do with Construction/Demo & Bulky items?
Bulk items (anything that can not fit into a 39 gallon barrel or plastic bag) are not accepted at the curb. Residents of Kingston are allowed to use the Newton, NH Transfer Station to get rid of things such as mattresses, furniture, appliances, electronics and more. Fees may vary.

What can I do with used motor oil?
The town of Kingston collects used motor oil on the first Saturday of each month from 9-11am at the highway garage on 12 main street. The used oil fuels the furnace in highway garage.

Newton, NH Solid Waste Transfer Station/Recycling Center
4 Dugway Road (off Amesbury Road)
http://www.newton-nh.gov

Hours of Operation:
TUESDAY & THURSDAY 12:00 pm to 6:45 pm
SATURDAY 8:00 am to 4:45 pm
SUNDAY 9:00 am to 3:45 pm

For more information:
Selectman’s office 603.642.3342
Town website: www.kingstonnh.org
Waste Management: 1-800-972-4545

The town will participate in Hazardous Waste collection twice annually in May and October. Look for notices on www.kingstonnh.org and on Kingston Public Access channel 21.
RECYCLING
- Recycling is collected every OTHER week on the same day as your trash collection.
- Recycling is single stream, which means you can mix all bottles, cans, paper and cardboard in your 96 gallon green recycling cart.
- See the Service Day Collection Schedule on the back to determine your collection day.
- It’s very important that the right materials end up in your recycling containers. Please see the list of acceptable recyclables on the next page to learn how Kingston residents can use Recycle Right. Recycle Right™ to improve your recycling efforts.
- Care and use of your recycle cart:
  - Always keep the lid closed to keep rain, snow and animals out.
  - Use the handle provided to move the cart. Tilt the cart on its end and push it downhill.
  - Clean your cart periodically by rinsing it with water and letting it dry in the sun.
  - There are currently no restrictions on street parking on collection days. Since automated waste collection requires clearance for the collection vehicle’s lifting arm, it is important, since the collection vehicle’s lifting arm requires clearance: 3 feet on both sides, and 12 feet overhead.

OTHER
- Dirt, sod, concrete or rock
- Construction/ demolition debris
- Hot ash or flammable materials such as oil, gas or paint
- Hot ash or flammable materials such as oil, gas or paint
