The windows in the main block are two-over-one. The cornice treatment consists of close lateral, and boxed raking eaves, and the medium-pitched roof is topped by one end-placed chimney.

The 1-story, gable-roofed ell has the same cornice, windows, and door as the main block, and rests on a half-basement that has fixed three-light windows.

A shed-roofed seven-by-two-bay porch on the north side has the same cornice and siding as the main block.
