ADDITIONAL ARCHITECTURAL AND STRUCTURAL DESCRIPTION:

Emery-Sloan house is a 2½ story, gable roofed Greek Revival/ Italianate style structure featuring a 1 story veranda, with a denticulated frieze, supported by tapering, fluted columns. The gable end, which is oriented toward the street, is pedimented and has a denticulated frieze. The roofline also features a denticulated frieze, and paired Italianate brackets with ornamental drop pendants. The main block is framed by wide, paneled pilasters. The center entry on the front facade has a 4 paneled door flanked by full length sidelights. All of the windows have six over six sash. The house rests on a fieldstone foundation.

The 1 story, gable roofed ell has clapboard siding, six over six windows, and rests on a fieldstone foundation.

RELATED STRUCTURES AND CONTEXT: A separate 1½ story, gable roofed barn is located to the northeast of the house. It has clapboard siding, a vertical board door with a transom light, and rests on a fieldstone foundation.

BOUNDARY AND ACREAGE DESCRIPTION: 9 Acres. Bounded to the N. by Marshall Road and Thorne Road, S. by Thorne Road, E. by Marshall Road, W. by Thorne Road.

STATEMENT OF SIGNIFICANCE (Evaluation & Historical Associations):

The J. E. Bartlett House is an unusual transitional Greek Revival/Italianate structure featuring paired brackets at the cornice line. It is interesting to find a farmhouse with this many stylistic features so far from town center.

MAP DATA: 1856: J. E. Bartlett
1892: W. J. Bartlett
