ADDITIONAL ARCHITECTURAL AND STRUCTURAL DESCRIPTION:

The Brien House is a 2-story, twin chimney Federal style structure. The center entry door is sheltered by a 1-story, flat-roofed open porch which is supported by square columns which rests on panelled piers. It has turned balusters and a denticulated frieze. Windows have six-over-six sash and are flanked by shutters and surmounted by caps. The low-pitched roof is topped by two end-placed chimneys, and the eaves treatment consists of a boxed cornice with gable end returns.

A 2-story, gable-roofed ell has an 8-panelled door, clapboard siding, and two-over-two windows flanked by shutters. The medium-pitched roof is topped by a central, corbel-capped chimney, and the eaves treatment consists of a boxed molded cornice.

A 1-story, shed-roofed, open porch on the east elevation is supported by square columns.

A large, attached, shed-roofed shed has clapboard siding, windows with six-over-six sash, and a denticulated frieze.

RELATED STRUCTURES AND CONTEXT: An attached 2½-story, gable-roofed barn has clapboard siding, horizontally sliding vertical-board doors, and fixed six and nine light windows. There are two separate 1-story sheds.

BOUNDARY AND ACREAGE DESCRIPTION: 17 acres bounded to the N-Christie, S-Route 107, E-Christie, Blackburn, W-Gifford.

*STATEMENT OF SIGNIFICANCE (Evaluation & Historical Associations):

- An earlier Marshall house associated with the carriage industry, this is likely the Marshall homestead. It is a fine example of 2-story twin chimney Federal with connecting ell and barns, and 17 acres of land. It's extremely significant to historic and visual associations of Marshall Road.
