Site Address \_\_\_\_\_

Contractor Name \_\_\_\_\_

Contractor Address/Phone # \_\_\_\_\_

Proposed Project: (describe in detail the work proposed to be done - use another sheet if necessary)

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Estimated Cost: \$ \_\_\_\_\_

Note: All structures must meet the setbacks from property lines set by Ordinance. If there is any question as to whether the proposed project will meet this requirement, it may be necessary to provide a Certified Plot Plan, prepared by a licensed N. H. Surveyor.

The N. H. Department of Environmental Services and Kingston Health Officer must be notified at least ten working days before any demolition activity occurs, whether or not asbestos of any amount is present. For renovation projects, the N. H. Department of Environmental Services and Kingston Health Officer must be notified at least ten days prior to any asbestos abatement project involving greater than ten linear feet or 25 square feet of asbestos-containing building material. (RSA 141-E)

#### EPA Lead Abatement (Renovation, Repair & Painting) Rule:

Was this structure built prior to 1978?  NO  YES If yes, EPA Certified Renovator:

Lic. # \_\_\_\_\_ Phone: \_\_\_\_\_

- No lead based paint will be disturbed
- Project is less than 6 sq. ft. per room (interior) or 20 sq. ft. (exterior)
- Abatement Required

(continue on reverse side)

If your project involves new construction, sketch the proposal below, including dimensions, and indicate the distance from the structure to property lines, existing structures and features, etc.

**Electrical / Plumbing / Mechanical permits are issued separately. Your licensed contractor must appear in person at the Town Hall to apply for these permits.**

**Owner's Signature:** \_\_\_\_\_

*You will be notified when your permit has been approved. If for any reason your application is denied, you have the right to appeal the decision to the Zoning board of Adjustment. Applications for Appeal are available at the Selectmen's Office in the Town Hall.*

**When the project is ready to be inspected, call 642-3342, extension 104, to arrange.**

Permit Approved: \_\_\_\_\_ Date: \_\_\_\_\_  
Building Inspector
